# DOOR HARDWARE

## Choosing Door Hardware

With countless options available for door hardware, we've curated a few trusted resources to help you find the perfect match for your needs. Here are some recommended online suppliers to get you started:

- [Home Depot](#): A wide selection of door hardware, from classic to contemporary.
- [Direct Door Hardware](#): Specializes in a variety of styles and finishes to suit any decor.
- [Central AZ Supply](#): Offers high-quality hardware and fixtures tailored for Arizona homes.
- [Build With Ferguson](#): offers clients a seamless online shopping experience for high-quality home improvement products, including appliances, lighting, plumbing, and more.

## Door Hardware Terms

For a comprehensive understanding of door hardware terminology, we recommend visiting [Direct Door Hardware's Glossary](#).

This resource provides clear definitions and explanations of various terms, such as backsets, deadbolts, latches, and more. Whether you're choosing a new door handle or upgrading your home's security, this glossary will help you navigate the many options and make informed decisions.

Visit the site to explore all the details and find the right hardware for your needs.
