FLAT PANEL DOORS

Conmore (Smooth)

Birkdale™ (Smooth)

Monroe (Smooth)

Craftsman III (Smooth)

Madison (Smooth)

Featuring clean lines, smooth surfaces, and a simple aesthetic, flat-panel doors will complement homes of various styles. At Arizona Door Store, our flat-panel doors are available in several different configurations, including one-, two-, three-, and five-panel, as well as a beautiful Craftsman style.

RAISED PANEL DOORS

Carrara (Smooth)

Caiman (Smooth)

Santa Fe (Smooth)

Rockport (Smooth)

**Colonist (Smooth or
Woodgrain)**

Conventry (Smooth)

Homes in the Phoenix area represent a wide range of architectural styles, including mid-century modern, contemporary, traditional, and Southwestern. At Arizona Door Store, we are pleased to offer raised-panel doors to suit all of these styles and many others! Professional design consultants at our Phoenix and Scottsdale design centers can guide you through our selection of interior doors and help you choose the best options for your home.

SHAKER DOORS

One Panel Shaker

One Panel Shaker
w/Privacy Glass

Two Panel Shaker

Three Panel Shaker

Three Panel Shaker
w/Privacy Glass

Three Panel Craftsman
Shaker

Five Panel Shaker

Five Panel Shaker
w/Privacy Glass

Shaker Series interior wood doors are constructed of a laminated natural wood core and an MDF outer layer for a smooth even surface. These wood components are bonded together with hard wood dowels forming an attractive and rugged interior paint grade door. Shaker Series Doors come factory primed and ready to begin the finishing process. Available in one panel, two panel, three panel and five panel configurations with flat panels and square sticking profiles that compliment any architectural design.

KNOTTY ALDER DOORS

Knotty Alder Single Shaker

Knotty Alder Two Panel Shaker

Knotty Alder Two Panel

Knotty Alder Two Panel w/V-Groove

Knotty Alder Two Panel Arched

Knotty Alder Two Panel Arched w/V-Groove

Knotty Alder Three Panel Craftsman

Knotty Alder Interior doors provide a rustic feel for homeowners and are popular in traditional homes. Choosing a Knotty Alder Interior Door for your home can liven up the room while adding a little bit of rustic taste as well. The Knotty Alder doors are made of the material Alder tree and still holds knotted areas within the wood for added intrigue

BARN DOORS

Most all Shaker, Flat Panel, Raised Panel and Knotty Alder panels can be made into a barn door.

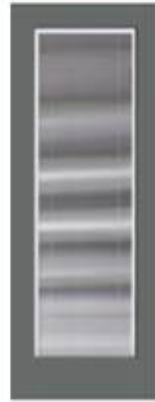

EXTERIOR FIBERGLASS DOORS

Full Lite Fiberglass
